THE DJ CHECKLIST

DJ GEAR & SOUND

Our DJs provide all DJ gear and sound equipment, tailored to your guest count, venue layout, and location.

CUSTOM MC'ING

Our mobile DJs are skilled in both MC'ing and DJ'ing. If you need a bilingual MC, we can provide that too.

INSURANCE

SGM Events can provide an insurance certificate for your venue's peace of mind.

ADDITIONAL ADD-ONS (please inquire about pricing)

PHOTO BOOTH

Capture memories with a traditional print booth or a 360 video booth.

UPLIGHTING

Battery-powered wireless lights that match any color on the spectrum, accenting walls, pillars, or any feature worth highlighting.

MONOGRAMS

Personalize your event with a customized monogram. Supply the image and we take care of the rest.

SILENT DISCO

All equipment provided with an on-site attendant. Just show up and party in silence.

Our agents craft an entertainment itinerary that covers every detail of your event, so the day runs seamlessly without anyone having to manage it from the floor.

ADVANTAGES OF BOOKING WITH AN AGENCY

BRAND STABILITY

Rest assured, our brand has been in business for over a decade.

DIRECT COMMUNICATION WITH AGENTS

Our agents are available 40 hours per week to answer any questions you may have.

MEETINGS

Meet our staff or your DJ over Zoom, Skype, or a phone call to discuss your event.

FINANCIAL SECURITY

Your deposit is held by a talent agency licensed by the State of California.

NO CONTRACT CANCELLATIONS

We honor our commitments and will not cancel a contract even if a DJ receives a higher offer.

FORCE MAJEURE* & REPLACEMENTS

If unforeseen circumstances prevent a DJ from performing — hospitalization, a death, an accident outside their control — we provide a replacement.

*Force majeure is a common clause in contracts that essentially frees both parties from liability or obligation when an extraordinary event or circumstance beyond the control of the parties prevents one or both parties from fulfilling their obligations under the contract.
